This Day In History

May 21, 1881

American Red Cross Founded

In Washington, D.C., humanitarians Clara Barton found the American National Red Cross, an organization established to provide humanitarian aid to victims of wars and natural disasters in congruence with the International Red Cross.

Barton, born in Massachusetts in 1821, worked with the sick and wounded during the American Civil War and became known as the "Angel of the Battlefield" for her tireless dedication. In 1865, President Abraham Lincoln commissioned her to search for lost prisoners of war, and with the extensive records she had compiled during the war she succeeded in identifying thousands of the Union dead at the Andersonville prisoner-of-war camp.

She was in Europe in 1870 when the Franco-Prussian War broke out, and she went behind the German lines to work for the International Red Cross. In 1873, she returned to the United States, and four years later she organized an American branch of the International Red Cross. The American Red Cross received its first U.S. federal charter in 1900. Barton headed the organization into her 80s and died in 1912.

Employee Assistance Program

As we go through changes, there is a fair amount of tension involved. Preparing for change is an important part of managing these transitions. LAUSD is committed to providing assistance for our employees through the Employee Assistance Program (EAP). All active employees and their dependents are eligible to receive free confidential counseling benefits through the United Behavioral Health (UBH). There is no charge for up to three face-to-face sessions with an EAP professional counselor. This excellent program can provide LAUSD employees:

- *Expert Counseling
- *Legal Assistance
- *Financial Services

*Free Access to —liveandworkwell.com, an interactive website For more information, please visit the Benefits website at benefits@lausd.net or call UBH at (866) 312-3077.

May is...

Like most commemorative months, Asian-Pacific Heritage Month originated in a congressional bill. In June 1977, Reps. Frank Horton of New York and Norman Y. Mineta of California introduced a House resolution that called upon the president to proclaim the first ten days of May as Asian-Pacific Heritage Week. The following month, senators Daniel Inouye and Spark Matsunaga introduced a similar bill in the Senate. Both were passed. On October 5, 1978, President Jimmy Carter signed a Joint Resolution designating the annual celebration. Twelve years later, President George H.W. Bush signed an extension making the week-long celebration into a month-long celebration. In 1992, the official designation of May as Asian-Pacific American Heritage Month was signed into law.

亚洲太平洋美国遗产月

(Chinese: Asian Pacific Heritage Month)

The month of May was chosen to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks were Chinese immigrants.

A Graduation Day Message

(By: Joseph T. Renaldi)

May Graduation Day fill your heart
With feelings of accomplishments this day,
To bring you peace of mind and happiness
In every special way.

May the fond memories of school days
Glow warmly in your beloved heart
Where the cherished classmates
Will forever play a vital part.

May Graduation Day be extra special
With elaborate pomp and show,
May the procession of elated graduates
Create glee and parent faces to glow.

May the ceremony for conferring diplomas,
The cards and acknowledgements and
flowers
Fill the day with pride and immense joy
And delightful and meaningful hours.

May those you love and respect surround
you
To share your moments of glory this day,
May the accolades of Graduation Day
Come into your life to forever stay.
